

■ Declutch lever switch available

■ Corrosion resistant - fully sealed to IP65

Handwheel Orientation

Models 05 - 14
Standard - Right Hand
- Left Hand option available

Models 16 - 20
Standard - Left Hand
only

Working Temperature Range

-20°C to +80°C

Low / High temperature options available on sizes 05 - 14 - contact Kinetrol

Kinetrol declutchable geared overrides are available for models 05 to 20 (excluding model 15), rated for the same torques as the actuators and fitted between the actuator and the load. The standard unit is supplied with the right hand handwheel option (see drawing below), whereby when the handwheel is moved in a clockwise direction the actuator moves in a counter clockwise direction. A left hand handwheel option is also available on some models (see below).

Dimensions
